

THE KARN NICHOLS PASSION AND PURPOSE AWARD

APPLICATION PACKAGE 2022

KARN NICHOLS

Former Chair of the MacPhee Centre Board, 2015-2021

“Some journeys are direct, and some are circuitous; some are heroic, and some are fearful and muddled. But every journey, honestly undertaken, stands a chance of taking us toward the place where our deep gladness meets the world’s deep need.”

~ Parker J. Palmer

Karn is a one-of-a-kind human and service leader. She is ethical and virtuous, honest and thoughtful and leads by example. Karn’s focus on people and systems set the foundation for what the MacPhee Centre is to our youth and community. She is a life long learner who is grounded in doing what is right. She believes in living an authentic life, staying true to her own passions, and feeding her soul with things like nature and writing.

Karn started volunteering with the MacPhee Centre in 2009 after she heard Social Entrepreneur, Bill Strickland speak about his creative learning centre in Pittsburgh. Karn, a new student at St. Mary’s University sat in the first row. She was mesmerized by how much passion and purpose Bill exhibited when he spoke about the work he did.

The MacPhee Centre, was inspired by Bill's work in the US. When Karn initially got involved, it was the seed of an idea in the hearts and minds of a few of the founding Board members. Karn connected with these folks and offered to help out wherever she could. Over the years she went from selling fundraising tickets to chairing our Board of Directors for over six years, finally finishing up in 2021.

During her time as Board Chair, Karn put in over 3,500 hours of volunteer time. In addition to volunteering where she was needed, she provided mentorship and coaching to the MacPhee Centre team and established our Advisory Council. She also ensured we remained focused on ensuring MacPhee created the conditions for youth passion and purpose to connect through the arts.

This award was created as a thank you to Karn for her dedication and hard work at the MacPhee Centre.

Located in downtown Dartmouth, this community hub inspires creativity and confidence by offering unique programs in visual and performing arts, creative writing, and technology in a safe and inspiring space. By bridging the learning gap in those who are disengaged from traditional education, or with barriers to accessing creative learning, the MacPhee Centre helps in the development of confidence, lifelong learning skills, an appreciation for the value in giving back to the community and increased potential for employment in our communities.
